

One-Step Step Stools

Designed with safety in mind,
our step stools are tip-resistant
and heavy-duty.

SM121805STEP

SMSTEPDOLLY

Single step stools can connect together to create a large, secure platform. The optional roll-around transport cart allows for easy transportation and storage of up to five single step stools.

For more information or to place an order, contact InnerSpace Customer Service at 888-435-2256 or cs@innerspacehealthcare.com.
