

Solutions for Healthcare

InterConnect Lock System

A reliable, secure, and user-friendly lock system is good insurance for your organization's supply inventory. InterConnect locks take the protection of your valuable cart and cabinet contents seriously.

Easy to use, easy to read

InterConnect's OLED screen has a bright display that can be read clearly at wider viewing angles. On-screen prompts take the guesswork out of managing and accessing locks. The keypad is designed for easy input, even when users are gloved, and the low gloss, textured keypad is resistant to scratching and damage from cleaning. Battery life is displayed on the screen.

Security built in

InterConnect keeps contents secure even when a cart or cabinet is unintentionally left unlocked. A programmable auto relock timer ensures a cart or cabinet is never unlocked for any length of time.

Choices to match security needs

Keypad locks are standard but can be upgraded to proximity locks to expand security options. Access for proximity locks can be assigned as badge swipe, PIN or badge swipe, or both PIN and badge swipe for increased security levels. Proximity locks are compatible with all RFID card formats.

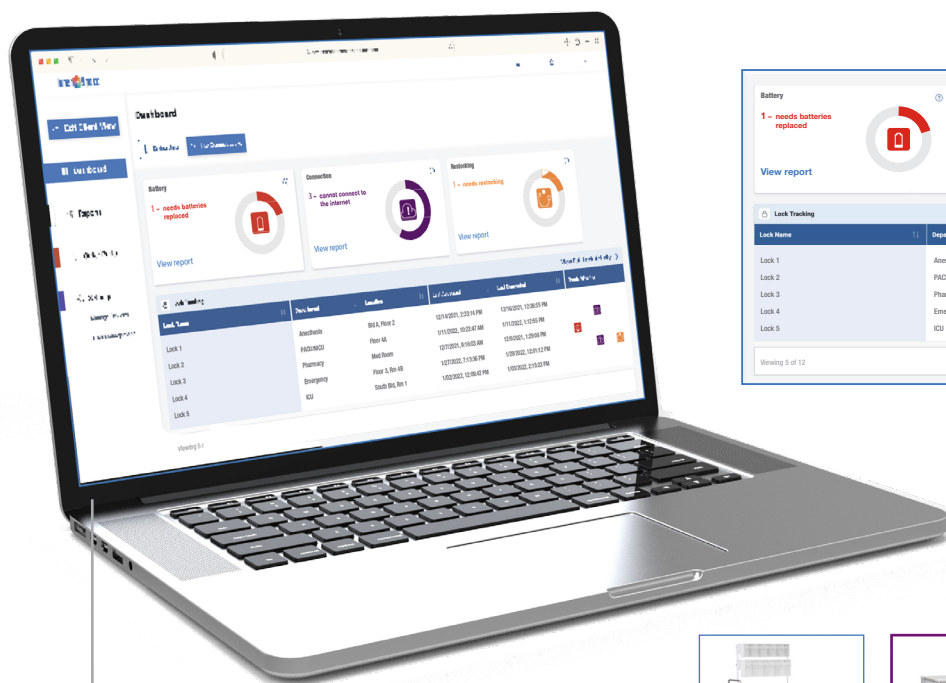

Easy to update

Lock setup features user-friendly on-screen prompts that require minimal administrator training to manage credentials and locks. The lock system stores up to 9,800 individual users and administrator codes per fleet at each facility within a healthcare system.

InterConnect locks are powered with eight C batteries, which are included with the purchase of InterConnect and InterConnect Plus locks on Pace and Roam carts and Evolve cabinets with hinged doors.

Locks are warranted for one year.

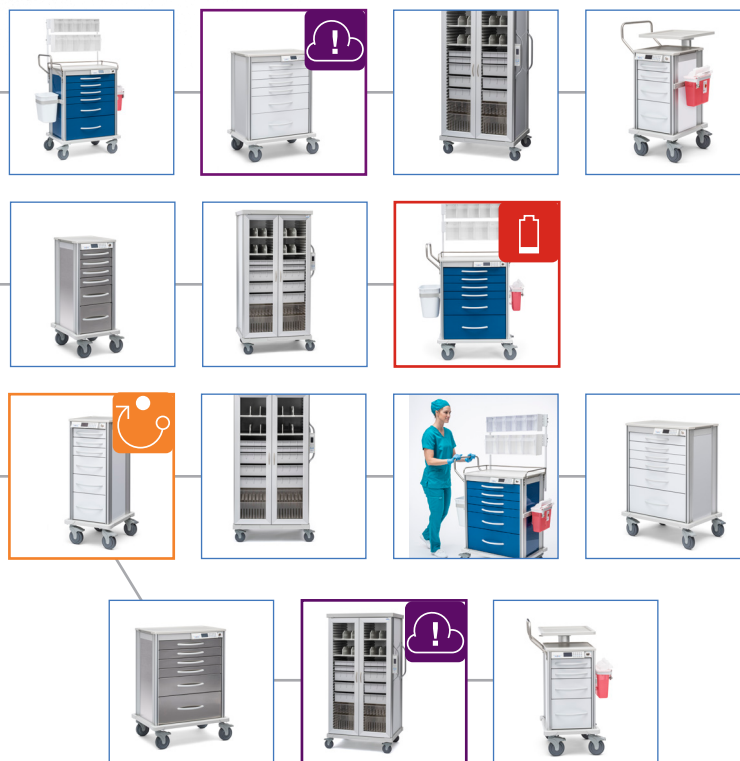

Lock Tracking						View Full Lock Activity →
Lock Name	Department	Location	Last Accessed	Last Connected	Needs Attention	
Lock 1	Anesthesia	Bld A, Floor 2	12/14/2021, 2:33:14 PM	12/16/2021, 12:26:55 PM		
Lock 2	PACU/NICU	Floor 4A	1/11/2022, 10:23:47 AM	1/11/2022, 1:12:55 PM		
Lock 3	Pharmacy	Med Room	12/7/2021, 9:16:03 AM	12/19/2021, 1:29:08 PM		
Lock 4	Emergency	Floor 3, Rm 4B	1/27/2022, 7:13:36 PM	1/28/2022, 12:01:12 PM		
Lock 5	ICU	South Bld, Rm 1	1/02/2022, 12:09:42 PM	1/03/2022, 2:19:23 PM		

Manage the security of your cart or cabinet fleet across your healthcare campus and satellite facilities with the InnerSpace Cloud platform and InterConnect Lock Plus to remotely manage users, view access reports, and receive notifications.

PACU/NICU – Floor 4A

Pharmacy – Med Room

ICU – South Bldg., Room 1

Improve efficiency and stay connected with InterConnect Plus

When InterConnect is linked with the InnerSpace Cloud platform, it becomes a WiFi-enabled lock system that lets you control, manage, and track access from a single computer, saving the time it takes to manually program individual carts or cabinets. Uploading lists of lock users is a time-saving feature of the InnerSpace Cloud platform. InterConnect Plus has a 2.4GHz and 5GHz band WiFi spectrum and requires a Wi-Fi interface of 802.1x or higher.

Real-time alerts and reporting capabilities

InterConnect Plus alerts you that carts or cabinets are low on battery power or have lost network connection. Users can also request that cart supplies be restocked. InnerSpace Cloud customized reports track a range of activities, from audit trails to the names of users attempting access and the date and time of access attempts.

InnerSpace Cloud is an Amazon Web Services (AWS) platform, known for its reliability, security, and data privacy. InnerSpace Cloud services include device configuration and onsite and on-demand training.

InterConnect Lock System for Roam and Pace carts and Evolve cabinets with hinged doors

To order a keypad lock, first specify your product line and door type. For a proximity lock upgrade, add SLWP to the keypad lock part number.

Roam 1 Carts

Cart height	Left-hinged glass door	Right-hinged glass door	Roll-top door	Proximity lock upgrade
Counter	SR1CHLLW	SR1CHRLW		SLWPR
Standard	SR1HLLW	SR1HRLW	SR1RLW	SLWPR

Roam 2 Carts

Cart height	Glass door	Roll-top door	Proximity lock upgrade
Counter	SR2CHLW		SLWPR
Standard	SR2HLW	SR2RLW	SLWPR
Tall	SR2THLW		SLWPR

Roam 3 Carts

Cart height	Left-hinged glass door	Right-hinged glass door	Roll-top door	Proximity lock upgrade
Standard	SR3HLLW	SR3HRLW	SR3RLW	SLWPR
Tall	SR3THLLW	SR3THRLW		SLWPR

Roam 4 Carts

Cart height	Glass door	Roll-top door	Proximity lock upgrade
Standard	SR4HLW	SR4RLW	SLWPR
Tall	SR4THLW		SLWPR

Pace Carts

Cart height		Proximity lock upgrade
Narrow	SPSDLW	SLWPP
Standard	SPSDLW	SLWPP

Evolve Cabinets

Cabinet type and width			Proximity lock upgrade
Tall, hinged	18.75"w	SETHLW-19	SLWPE
	26.75"w	SETHLW-27	SLWPE
