

Evolve Cabinet Features

Evolve cabinets create a flexible storage system that organizes a hospital's most supply-intensive departments. A clean design and tight construction offer a refined aesthetic

Material choices include compression board with laminate surface, stainless steel, and AireCore with Glacier White or Brushed Aluminum finish

Aluminum tracks on cabinet interior accept LED lights

Trays, baskets, and shelves are interchangeable among all Evolve cabinets

FlexCell design minimizes space between interior components for maximum storage capacity

Separate toe kick base simplifies installation; installer can level base piece and then fit cabinet over it (4" and 6" toe kicks or no toe kick options)

Tall cabinets have roll-top doors and glass or solid-front hinged doors
