

# Evolve TEE Probe Cabinet with Roll-Top Door

Evolve modular cabinets create a flexible storage system that organizes a hospital's most supply-intensive departments. A clean design and tight construction offer a refined aesthetic and support infection prevention efforts. The 19.25"-deep, 92"-high TEE probe cabinet comes in 2 widths.

It has a counterbalanced roll-top door and includes a removable drip tray. Material choices include compression board with a melamine or specified laminate surface or nonporous AireCore with Glacier White finish, Brushed Aluminum finish, or specified laminate surface. Cabinet has a 4"-high toe kick.
