

Pace Pharmacy Cart (SP21W4, SP24W5, SP27W6, SP30W6, and SP33W7 with SPPVP)

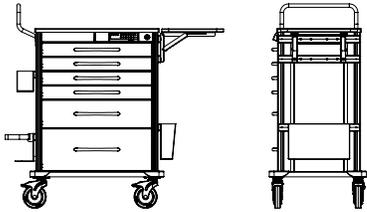

Keep pace with supply storage and transport. Keep pace with work flow. Keep pace with patient care.

Pace carts are mobile, easy to maneuver, secure, and adaptable to change. The Pharmacy Cart has a glove box holder, flip-up work surface, chart holder, disinfectant holder, push handle, 2 security lock boxes, and 2 3"-high pharmacy trays. A variety of drawer configurations and exterior and drawer accessories lets you target supply storage for specific treatments and departments.
