

Roam 2 Scope Cart (SR2GS)

Roam carts are lightweight and easy to maneuver. The FlexCell design and system of interior components adapt to the specific supply and procedure storage needs of departments throughout a healthcare facility. The Roam 2 scope cart holds 8 endoscopes, up to 60" in length. It has tempered glass doors, cushioned back

panel to protect scope optics, a ventilated top, and a removable drip tray. Scope managers and cord retainers are adjustable and keep contents organized and elevated off the cart floor. The cart comes in a Soft White finish.

Roam 2 Scope Cart (SR2GS)
