

Roam 2 Long Catheter Cart (SR2GC)

Roam carts are lightweight and easy to maneuver. The FlexCell design and system of interior components adapt to the specific supply and procedure storage needs of departments throughout a healthcare facility.

The Roam 2 long catheter cart comes with 7 9-hook cath cues. Cath cues are permanently mounted to the top of the cart and can be adjusted horizontally. The cart has a lightweight aluminum case, durable bumper, easy-grip bars for maneuvering the cart, 5" medical-grade casters, and comes in a Soft White powder-coated paint finish.

Roam 2 Long Catheter Cart (SR2GC)
