

Solaire Medical LLC warrants to the original buyer its standard InnerSpace® by Solaire Medical products to be free from defects in material and workmanship for a period of five years from date of receipt. Custom products are warranted to the original buyer to be free from defects in material and workmanship for a period of one year from date of receipt. Electronic components and subassemblies are warranted to the original buyer to be free from defects in material and workmanship for a period of one year from the date of receipt. The Quick family of open storage products is warranted to the original buyer to be free from defects in material and workmanship for a period of one year from date of receipt.

This warranty may be enforced only by the original buyer; all subsequent purchasers acquire the product "as is" without any benefit of this warranty. Warranty includes replacement of product only and may not include actual labor costs to replace and/or repair product.

Excluded from this warranty:

- Acts of nature
- Freight damage
- Improper installation
- Lack of proper maintenance
- Failure caused by abuse or misuse
- Unauthorized modifications or alterations
- Wear under normal usage
- Exposure to extreme heat or moisture

Should defects in material or workmanship be shown to exist in any standard product, Solaire Medical will, at its option, repair or replace any such defective product covered by our warranty without charge.

To receive benefits under terms of Solaire Medical's warranty, the buyer must:

- Contact a Customer Service representative at 1-888-435-2256
- Provide a description and pictures of the damage, if possible
- Provide the original purchase order number or Solaire Medical's order number
